

Dear Friends,

We are pleased to announce our special virtual event – **Celebrating our Heroes: A Fall (Virtual) Affair**, on **Saturday, October 24th** from 6-7 PM EST. Proceeds from the event will help create a brighter future for the children and adults with autism.

I ask you to consider becoming a sponsor of the event and/or a silent auction donor. Your support will allow us to continue to provide optimal conditions for learning and provide important and critical programs to our learners. In these challenging times, nothing has stopped our heroes, our hardworking staff. Because of them, we have been able to implement a Restart and Recovery plan to safely re-open our services and continue to provide quality education so that Alpine's children and adults with autism can reach their potential.

Founded in 1988, Alpine Learning Group is a not-for-profit program dedicated to transforming the lives of individuals with autism and their families by providing innovative, comprehensive, and scientifically-validated services across the life span. Offering a full range of diagnostic and clinical services, along with established programs in education, in-home treatment, and adult services, we meet the challenge of autism with science and compassion. With **1 in 45 children in New Jersey** now diagnosed with autism, the services provided at Alpine are in greater demand.

Attached are the Sponsorship Opportunities and Silent Auction Donation Form. Here is the event website to register for the virtual event and be entered to win a Peloton bike (no purchase necessary). <https://alpinelearninggroup.ejoinme.org/MyEvents/FallAffair2020>

Thank you in advance for your support of this important event and if you have any questions, please don't hesitate to call. **Together we can change the future for children and adults with autism!**

Best regards,

Bridget Taylor
CEO
