

Spring 2017

Dear Friends,

I would like to invite you to be a part of Alpine Learning Group's special event – **The Fall Affair**, Saturday, October 21st at *The Palisadium* in Cliffside Park, NJ. As part of our fundraising efforts for this event, we will be holding a silent auction and we need your help to make this event a success. Proceeds from the event create a brighter future for the children and adults of Alpine Learning Group.

Founded in 1988, Alpine Learning Group is a not-for-profit program dedicated to transforming the lives of individuals with autism and their families by providing innovative, comprehensive, and scientifically-validated services across the life span. Offering a full range of diagnostic and clinical services, along with established programs in education, in-home treatment, and adult services, we meet the challenge of autism with science and compassion. With 1 in 45 children in New Jersey now diagnosed with autism, the services provided at Alpine are in greater demand. Your donation to this event will help us to continue to provide important programs to our learners and fund needed adult services through our Ely Center for Adult Learning.

As a raffle or silent auction donor, you and your company will be recognized in the silent auction program and in our event journal. We expect over 400 guests to attend this event, mostly prominent members of the Bergen County and Manhattan communities.

Thank you in advance for your support of this important event and if you have any questions, please don't hesitate to call.

Together we can change the future for children and adults with autism!

Best regards,

Mary Jane Bray
